BIRRONG SPORTS NETBALL CLUB

Executive Report 2022

For the 2022 season we had 8 teams which was 1 up from 2021. Our teams for the main had 10 players which was very pleasing.

We thank Bankstown Sports Club for its continued support of our Club. The Clubs NSW Grant funded by the Sports Club enabled us to purchase hoodies which were made available to all players and volunteers.

We were also recipient of a further grant from Bankstown Sports Club for uniforms, shorts, training shirts, socks and premiership jackets.

Our 5-7s had a fun season with Hayley Allen and Olive Kagi coaching them. At the start of the season we had 5 players and finished with 11 players.

The 9s continue to develop and will make a lovely 10 years team for 2023.

The 10B competed very well and the improvement shown throughout the season was outstanding with the team making the finals. We thank Jessica and Taylah for coaching. Jessuca and Taylah were worthy recipients of the Joan White Coaching Award.

Our 11As were finalists and we thank Riria Walker for her hard work in coaching these girls over the past 4 years. This teams shows great promise.

The 14s has always been a composite team of 12-14 year olds and always does it hard. Special mention must be made of Noah Hilton and Joshua Kagi as without these boys we would have had no team.

Congratulations to our 15/16A on their great grand final win against Bankstown Sports. This team is coached by Rosy and John Kagi and it not been for COVID we are sure they would have been premiers in 2020 and 2021 as well.

We would like to congratulate Vilimaina Kagi who was a member of the Liverpool Netball Association's Under 15s which took out the 2022 State Champions.

Div 3 had another difficult season however the girls all seem to enjoy their netball and the comradery they show is to be applauded.

Our Div 4 ladies were finalists competition and 9 players went on to compete at the NSW State Social Masters at Wagga Wagga in the Over 40s division winning 5 of 11 games. A grant from Bankstown Sports Club assisted with travel and accommodation expenses for which we are very grateful.

Chloe Prideaux continues to impress Netball NSW with her umpiring and was also awarded the BCNA Senior Umpire of the Year for 2022.

BCNA held its 60th Anniversary Gala Dinner and our executive, coaches and managers were invited and all up with had 13 Birrong members attend. Birrong also led the way on the dance floor.

Our presentation took place at Auburn Tennis Club on and was well attended by players and parents and we thank Bankstown Sports Club Director, Richard Phillips for attending.

A final thank you goes to our parents for supporting your girls this year.

The success of our Club can be measured by the loyalty and club spirit shown by our players, coaches, managers, umpires and parents.

Umpire Convenor Report 2022

Birrong has continued to provide umpires this year at Carnivals, State Titles and each week at Deverall Park.

Thank you to our experienced umpires who always give so much of their time and experience to coaching our younger umpires. Birrong always support our umpires at their games and this presence has a positive influence on our umpires and our club.

Birrong had 8 umpires this year umpiring games on Saturdays. Thank you to Chloe, Raelene, Deb, Karen, Hayley, Maina, Jessica and Taylah. A large number of our higher graded umpires also umpired at our Semi Finals, Finals and Grand Final games. Karen Barnes also travelled to Wagga with Birrong's Master team this year to umpire.

Our Umpire award this year went to Chloe Prideaux who was also awarded the Bankstown City Association Umpire of the Year Award. Congratulations Chloe, a most deserved achievement. Chloe, who also umpires Metro League, is an excellent umpire and mentor. She not only umpires and coaches umpires for Birrong but also assists Bankstown to support and mentor umpires from other clubs.

Finally, thank you to our club members for supporting our umpires. Umpiring is very rewarding, but not always easy. All umpires are on a journey of development. It was great to see so many players, coaches and supporters thank our umpires at the end of each game this year.

We are looking forward to another great year next year, and to beginning the umpire path for a number of new umpires in 2023.
